## Hurricane Sandy Relief Effort Begins

Baptist Headquarters Receiving Donations for Hurricane Sandy Relief

### GBSC Partners With CEECA on Long Island Hurricane Relief

The Baptist Headquarters has identified the Corona-East Elmhurst Clergy Association as a partner in hurricane relief for Long Island, New York. The Convention has made an initial contribution of \$5,000.00 to aid in the relief efforts currently underway by CEECA. The CEECA is headed by Rev. Patrick H. Young, Pastor of First Baptist Church of East Elmhurst, New York. Rev. Young formerly pastored the New Ahoskie Baptist Church in Ahoskie, NC. While in NC, Rev. Young was active in the General Baptist State Convention.

Dr. Howard W. Parker, Jr., President of the General Baptist State Convention of North Carolina, Inc. is requesting that our affiliated Churches and Associations send contributions for Hurricane Sandy Relief to the Baptist Headquarters. The General Baptist State Convention will principally partner with Lott Carey Baptist Foreign Missions Convention to provide disaster assistance to affected areas. However, the Convention will also support known organizations in the region who are currently providing disaster relief.

Contributions should be forwarded to the Baptist Headquarters in the form of checks made payable to GBSC and mailed to:

**Baptist Headquarters**  
**603 South Wilmington Street**  
**Raleigh, NC 27601-2338**

*(Please note HURRICANE RELIEF on your check.)*
